MEMORANDUM FOR: DIRECTOR, PSYCHOLOGICAL STRATEGY BOARD

SUBJECT: Status of CIA Support Plans for PSB Plans J-19/d
and D-7/c

25X1C

1. This is written in response to your letter of 11 September

3. After re-examining the matter, it has been decided that better progress could be obtained by sending a Washington representative this month to revise the plans in the field by a collaborative effort. His mission would include the revision of CIA support plans to conform to current capabilities; to effect an understanding with the Theater Commander of independent and joint responsibilities under D-7/c, and to provide for logistics arrangements under this plan. In order to facilitate consultations with the Theater Staff and authorize the availability of overt plans to my representative for his review, I have requested [redacted] to cable CINCPAC requesting his full cooperation in this matter.

4. We shall subsequently present our revised plans to the 10/2 representatives and shall inform your office when this meeting is to take place.

5. We appreciate your offer of assistance and will call upon you as the occasion arises.
